

K?p?c? K?p?c, k?p?c t? ...

Description

Nomazg?ju ras? k?jas –
ak! cik viegli man!
Upes mal? strazdu p?ra
simfonija skan...

Sirds no kr?t?m ?r? raujas
un p?c Tevis sauc,
p?ri p?av?m t? un mežiem
m?lest?b? trauc

Pudele jau sen ir pus?,
ar? pusnakts kl?t;
meitene, ko m?lu, dus?,
nav kam pavaic?t:

K?p?c tad, kad esam š?irti,
m?la vieno m?s?
Bet, kad atkal b?sim kop?,
ikdieniš?s viss k??s?

R?gta smeldze sak?pj kakl?
man ik vakar?;
m?ness gaism? j?ku pr?t?,
saki, k?p?c t??

Citas meitenes man svešas –
tik pie Tevis pr?ts!
Liel?ka par zvaign?m plešas
sirds, kad pret?m n?c!
